

Joining Information

We are delighted that you that you are thinking of joining!

This document tells you a little bit more about the choir and the joining process for when you are ready.

About Walton Voices

We rehearse once a week on Wednesday evenings from 8pm to 10pm at Bell Farm Primary School, Hershams Road, Hershams, Walton-on-Thames KT12 5NB. Please try to arrive a little early to enable us to start the rehearsal promptly at 8pm. We have a short break in the middle to enable people to catch up with friends and colleagues, with refreshments provided free of charge! If you are not able to make a rehearsal, please let your Voice Representative know.

We source and obtain music scores to lend to members; the cost of this is covered by your membership subscription and no additional charge is made. You will be asked to leave your music with us at the end of each rehearsal until you are a paid-up member, at which point you can keep it until the end of term, returning it with any pencil markings carefully rubbed out, of course! We provide each member with a plain black Walton Voices folder to hold music during concert performances.

We usually perform three main concerts a year - one in late November or early December, one in March or April and one in June or July. Rehearsals start in the first or second week of September and finish at the June/July concert, with 'school holiday' breaks for Christmas and Easter. There is normally an additional rehearsal held in the afternoon of each concert date.

We have a programme of social activities and other events scheduled for each termly session. Details of these will be announced throughout the choir year.
